From the Desk of the Pastor ....

Today we honor Christ as our King. This Feast was introduced by Pope Pius XI in 1925. It was a time of great stress in the world.

- In Europe, many nations were still badly wounded by the First World War.
- In Russia, atheistic Communism was already persecuting the Church.
- In Italy and Germany the unrest which led to ideas such as fascism and Nazism was growing.

The Pope reminded the world that there is ultimately only one ruler: God. God made his rule most clear in the life, death and resurrection of our Lord Jesus Christ, Universal King. As Pope Pius XI said, when we all recognize “both in private and in public life, that Christ is King, society will at last receive the great blessings of real liberty, well-ordered discipline, peace and harmony.

Jesus exercises his kingship through his sacrificial and loving death. The incarnate word of God goes through humiliation, suffering, and death.

Jesus challenges all our notions and understanding of power. His kingly robe is the blood pouring down his body, his crown is a crown of thorns, and his throne is the cross. His kingdom is not of this world.

From the wood of the Cross even at the moment of His death on the Cross, he finds an opportunity to exercise his kingship and forgives the repentant thief, granting him sovereign freedom, and healing of his sins: “Indeed, I promise you, today you will be with me in paradise.”

Season of Advent

On Sunday, December 1, we enter into the Advent Season, it begins the Church’s liturgical year. Advent encompasses four Sundays and weekdays leading up to the celebration of Christmas.

Advent is a time of expectation and hope. “Advent” means “arrival” or “coming,” and it prompts us to pause each day in December and remember why Jesus came at Christmas.

The wreath and candles are full of symbolism tied to the Christmas season. The wreath itself, which is made of various evergreens, signifies continuous life.

The circle of the wreath, which has no beginning or end, symbolizes the eternity of God, the immortality of the soul, and the everlasting life we find in Christ.

During the season of Advent, one candle on the wreath is lit each Sunday. Each candle represents an aspect of the spiritual preparation for the coming of the Lord, Jesus Christ.

- The first candle symbolizes hope and is called the “Prophet’s Candle.”
- The second candle represents faith and is called “Bethlehem’s Candle.”
- The third candle symbolizes joy and is called the “Shepherd’s Candle.”
- The fourth candle represents peace and is called the “Angel’s Candle.”
