

## ST. JOHN THE EVANGELIST PARISH OFFICE

19 Saint Marys Avenue

It is incumbent upon each of us brothers and sisters to remember that we are each other's keepers. We need to do everything we can to protect one another from spreading the contagion of infectious diseases. Life is precious, it is God's gift to us from the moment of conception till natural death. We cannot afford to let our guard down.

Reflecting on this incredible new trend and finding ourselves at this intersection, challenged with an unprecedented tension, between 'Lives' and 'livelihood'; 'responsibility and accountability', we recognize, that it is a sacrifice that saves lives!

Keeping up with the compliance procedures, and to make things easier to everyone till we get used to the new arrangements, we request everyone who wants to come by the Parish office, to kindly call the Parish office at 415-334-4646 prior to dropping by.

This advance notification to us will help us to be ready for you and to attend to your needs. If you make that call prior to showing up, it will help us to be prepared to serve you better. If you need to park your vehicle, we will gladly open access to the larger Parking grounds for the purpose.

Please understand that we shall limit access to just two persons at any given time in the Parish office reception area. Once their business is attended, and they leave, then the next in line would gain access into the reception area.

### **PARKING**

**The Parking grounds on the 19 Saint Marys Avenue**, at the side of the Parish office will remain open during Parish office hours from 8:30am to 5:00pm.
